CONTROL LIGHT AND SHADE WITH SLEEK MINIMAL STYLE

Our Simply Pleat range offers stylish solutions to architects, designers and decorators with our pleated blind system which will enhance any building design style, residential or commercial. Slim, minimal and elegant, these 20mm pleats are highly functional and versatile, controlling light and shade. Especially suitable for conservatories and skylights, Simply Pleat blinds ensure superior sun and glare protection and ensure you can achieve maximum privacy.

Simply Pleat blinds are custom manufactured with German precision, and are of the highest quality, utilising state of the art hardware, technology and design. Highly versatile, the system allows many layout and overall configuration options. We offer a very wide range of fabric colours and levels of opacity to suit all requirements.
