

# Exterior Shutters

## PREMIUM POWDER COATED ALUMINIUM SHUTTERS

Our premium Exterior Shutter range combines cutting edge engineering with beautiful design. This powdercoated Aluminium Shutter is like no other, providing unprecedented durability, flexibility and strength. They will weather the harshest elements. Elegant and minimalist, this is the most streamlined Shutter in the market. It's two-part frame hides all screws so there are no visible fixings & the internal blade rotation provide the ultimate clean look.

We also offer a cost effective range of Aluminium Shutters that combine beauty, durability and versatility. These Shutters can be ordered to suit most window sizes and will enable you to maximise and utilise your indoor and outdoor spaces.

Ultimate clean minimal look. No visible fixings.

Premium Aluminium with powdercoated finish.

Strong & durable to weather the harshest elements.
