

Solare Teknica | T1000

EXTERIOR ROLLER | STRAIGHT DROP

Solare Teknica Series has been designed by Australians, specifically for our lifestyles, ensuring design: styling and quality were top of mind. The modern and contemporary Solare Teknica Series is suited to all exterior buildings both residential and commercial.

The Solare Teknica 1000 Straight Drop provides your home with entry level UV protection and is very simple to use. Sleek and simple with a modern aesthetic, suitable for balconies where you are able to strap the blind to the railings or simply strap it down to the ground. This blind is designed to be either fully up or strapped in the down position.

Specifications
