DESIGN SERVICE FOR YOUR VEHICLE FLEET

Design your mobile advertising space now!

From planning to implementation
Would you like to use your new or current vehicle as an advertising space for your company? Then why not make use of the attractive design service from weinor! We create free drafts to finished print data for you based on our strong weinor range combined with your personal requests and contact details.

If you are interested, simply contact your weinor sales representative!

Here's what we need from you:

- ▶ Photo of the vehicle: sides, back, front
- ▶ Exact vehicle type (scanned registration document)
- ▶ Your company logo as vectorised eps file
- ▶ Text requests such as address, phone number etc.

You can then commission a vehicle signwriting company of your choice to do the job.
